

Errata

- p. 33. The correct authority for *Vaucheria litorea* is C. Agardh.
- p. 34. The correct authority for *Chrysomeris ramosa* is N. Carter.
- p. 50. The caption for Figure B-59 should read *Pylaiella*.
- p. 55. The correct authority for *Desmarestia aculeata* is (Linnaeus) J.V. Lamouroux.
The correct authority for *Desmarestia ligulata* is (Stackhouse) J.V. Lamouroux.
The correct authority for *Desmarestia viridis* is (O.F. Müller) J.V. Lamouroux.
- p. 56. The correct authority for *Feldmannia irregularis* is (Kützing) Hamel.
- p. 57. The correct authority for *H. granulosa* is (Smith) P.C. Silva. [Smith is the recognized name, according to the International Plant Names Index (<http://www.ipni.org/index.html>), for J.E. Smith.]
- p. 58. Footnote 10 should be placed after *Colpomenia bullosa* on p. 66 rather than after *Coilodesme bulligera*. It should read: Cho *et al.* (2005) quote Ramírez & Rojas (1991) and Adams (1994) to the effect that *Colpomenia bullosa* is a later synonym of *C. durvillei* (Bory) M.E. Ramírez. However, they postponed a formal taxonomic decision pending the sequencing of topotype material of *C. durvillei* from Concepción, Chile.
- p. 59. The correct authority for *Eudesme virescens* is (Carmichael ex Berkeley) J. Agardh.
- p. 62. The correct name for *Myrionema orbicularis* is *M. orbiculare*.
- p. 66. The correct authority for *Colpomenia peregrina* is Sauvageau [without parentheses].
- p. 68. The correct authority for *Chorda filum* is (Linnaeus) Stackhouse.
- p. 69. The correct authority for *Lessoniopsis littoralis* is (Farlow *et* Setchell ex Tilden) Reinke.
- p. 70. The correct spelling for *Cymathere* is *Cymathaere*.
- p. 71. The correct authority for *Laminaria complanata* is (Setchell *et* N.L. Gardner) Muenscher.
The correct authority for *L. sinclairii* is (Harvey *ex* Hooker f.) Farlow, C.L. Anderson *et* D.C. Eaton.
- p. 72. The correct authority for *Nereocystis luetkeana* is (K. Mertens) Postels *et* Ruprecht.
The correct authority for *Saccharina dentigera* is (Kjellman) C.E. Lane, C. Mayes, Druehl *et* G.W. Saunders.

- p. 74. The correct authority for *Fucus distichus* subsp. *evanescens* is (C. Agardh) H.T. Powell.
The correct authority for *Pelvetiopsis limitata* is (Setchell) N.L. Gardner.
- p. 110. The correct authority for *Clathromorphum loculosum* is (Kjellman) Foslie.
- p. 119. The correct authority for *Rhodophysema elegans* is (P. Crouan et H. Crouan ex J. Agardh) P.S. Dixon.
- p. 123. The correct authority for *Neoptilota densa* is (C. Agardh) Kylin ex I.A. Abbott et Hollenberg.
The correct authority for *N. hypnoides* is (Harvey) Kylin ex I.A. Abbott et Hollenberg.
- p. 132. The correct name for *Tokidadendron bullata* is *T. bullatum*.
- p. 134. Delete the reference to Segawa 1965 under *O. kamtschatica*.
- p. 135. The correct spelling of *P. brodiaei* is *P. brodiei*.
- p. 139. The correct authority for *Constantinea rosa-marina* is (S.G. Gmelin) Postels et Ruprecht.
- p. 145. The correct authority for *Mazzaella phyllocarpa* is (Postels et Ruprecht) Perestenko.
- p. 149. The correct name for *Ahnfeltiopsis leptophyllus* is *A. leptophylla*.
- p. 150. The correct spelling of *P. brodiaei* is *P. brodiei*.
- p. 196. The correct spelling of **blytii** is **blyttii**.
The correct spelling of *brodiaei* (Phyllophora) is *brodiei*.
- p. 198. The correct spelling of **Cymathere** is **Cymathaere**.
- p. 203. The page numbers for **Mazzaella** should read 10, 30, 98, 99, 143, 144, 145.
- p. 207. The correct spelling for *spicifera* (Cystoseira) is *spicigera* (Cystoseira). The entry should appear at the bottom of the page, after **Sphaerotrichia**.
- p. 208. The page numbers for **Tayloriella** should read 89, 137.

We thank Michael Wynne, University of Michigan, for bringing a number of these errors to our attention, and we encourage the rest of you to contact us (sandracl@interchange.ubc.ca) when you find additional problems in the Keys.
